

Go Green for the Holidays!

Get into the holiday spirit and join us at these fun-filled festivities, all energized by renewable Santee Cooper Green Power.

Celebrate The Season, Nov. 24 – Dec. 30: Holiday Lights Driving Tour begins at our Moncks Corner headquarters. Come see your favorite displays and some new additions! Proceeds benefit local charities. www.celebratetheseason.org

Winter Wonderland at the Beach, Nov. 24 – Jan. 1: Free mile-long lighting display along the beach in Myrtle Beach. www.winterwonderlandatthebeach.com

Myrtle Beach Bowl, Dec. 18: Coastal Carolina University's Brooks Stadium hosts this postseason competition, featuring matchups from Conference USA, Mid-American Conference and the Sun Belt Conference. www.myrtlebeachbowlgame.com

Have you noticed this crew out and about?

Santee Cooper vegetation management crews work with certified arborists to carefully prune trees and hedges that could otherwise cause power outages. You may have noticed that your power doesn't go out very often... that's because this important preventative maintenance also helps maintain reliable power service.
