

Community Cares

Santee Cooper's Customer Assistance Program

Santee Cooper knows our customers sometimes experience financial hardship, so we've created a program that allows you to help. Community Cares is funded by our customers for our customers. Through our collaboration with the United Way, donations will be placed in a Community Cares fund that will provide assistance for Santee Cooper residential customers that experience a hardship and need help with their utility bill. All donations made to Community Cares are tax deductible and will be used in assisting our customers in Horry, Georgetown & Berkeley counties. If you'd like to add a recurring contribution to your utility bill, please fill out the information below.
