

Scammers Don't Take the Summer Off!

Scammers use different ways to try to steal your money, including posing as a Santee Cooper bill collector or representative. They may text you, call you, or even knock on your door. Please be mindful of unsolicited calls or pushy representatives requesting your personal information.

Red flags to look out for:

- ▶ Threatening to turn off your power if you don't pay immediately.
- ▶ Insisting you pay with a gift card.
- ▶ Offering discounts or account credits for making payments.
- ▶ Pressuring you into a contract that promises little to no power bill.

Help us keep your information protected. If you ever feel you are being targeted by a scammer, call us first at **800-804-7424**.
