PUMP UP YOUR SAVINGS

The majority of your electric bill is from heating and cooling. If your heat pump is older than 10 years, you may want to consider replacing it with a more energy-efficient heat pump.

Santee Cooper offers **REBATES UP TO \$700**

to help you replace your equipment to make it more energy efficient.

Santee Cooper also offers loans to approved customers to help with the expense of installing energy-efficient equipment.

Appliances with the
highest energy usage

52%

Air Conditioner

17%

Water Heater

9%

TV, Lights, Coffee
Maker, etc.
