

THE DEADLINE IS APPROACHING TO APPLY FOR AN EVOLVE GRANT!

Santee Cooper offers up to \$25,000 of grant funding to help with electrical vehicle (EV) projects. The deadline to apply is **August 15, 2024**.

*Applications go through a competitive scoring process that will be completed by an independent third party. Funding of projects is not guaranteed.

EV projects for your business could include:

- Make-Ready Research
- Education and Outreach
- Electric Vehicle Charging Infrastructure
- Electric Fleet Conversion

For more information on applying for an EVolve Grant, visit santecooper.com/EVolvegrant, email e-mobility@santecooper.com or call at **800-804-7424**.

Congratulations to all of our EVOlve grantees!

2022 EVOlve Grant Projects:

Elite Home Care
Myrtle Beach Area Chamber
McLeod Health Seacoast
Coastal Carolina University
City of Conway

2023 EVOlve Grant Projects:

Shoreham Towers II
Town of Atlantic Beach
Coastal Carolina Association of Realtors
Kingston Plantation/Embassy Suites
Sterling Euliss/Parkway Little River
Veranda at Market Commons

With their grants, these businesses invested in research and new EVs, and they added chargers to their businesses. This is just one way Santee Cooper is helping customers prepare for a more sustainable energy future.
