2025

This year, you could make your business more energy-efficient through our EmpowerBusiness program!

Smart Thermostats

Smart thermostats can provide you with access and control of your temperature from anywhere by using a smart device.

Lighting Upgrades

We offer many rebates for lighting change outs.

HVAC

Replacing your heat pump with a more energy-efficient system could potentially reduce your electric bill.

For more information and to receive your rebate, visit www.santecooper.com/business, email commercial.energy@santecooper.com or call 800-804-7424. *Qualifications apply.*
