

Santee Cooper offers loans to approved customers to help with the expense of installing some energy-efficient equipment.

We also offer several rebates on equipment. This year, make your home more energy-efficient by taking advantage of our **EmpowerHome** programs.

Some of our rebates include:

Smart Thermostats

Smart thermostats can provide you with access and control of your temperature from anywhere by using a smart device.

Heat Pump Water Heaters and Heat Pumps

A more energy-efficient heat pump water heater or heat pump could potentially reduce your electric bill.

STAY TUNED FOR THE LAUNCH OF ONE OF OUR 2025 PROGRAMS...A MARKETPLACE WHERE YOU CAN BUY PRODUCTS ONLINE, WHICH SOME WILL INCLUDE REBATES! MORE INFORMATION COMING SOON!

For more information and to receive a rebate, visit www.santecooper.com/home, email residential.energy@santecooper.com or call 800-804-7424. Qualifications apply.
