# Announcing Marketplace: Your Online Store for Energy-Efficient Products!

We are excited to announce Santee Cooper Marketplace will be live in March. The online shop, for our customers only, will have energy-efficient products available at discounted costs. And some may have instant rebates!

Santee Cooper Marketplace will be available on our website. You'll be able to purchase products, sent directly to your home, including:

- Smart thermostats
- Power strips
- Air purifiers
- LED nightlights
- LEDs
- EV chargers
- And more

We're putting the final touches on Marketplace now, to make sure it's convenient and easy to use. Keep an eye out for more news, coming soon!
