

You are invited to an Open House for a utility project near you!

Indian Field-Sugar Hill 230kV Transmission Lines

Dear Neighbor,

You are receiving this Open House invitation because you are a property owner and/or tenant near a proposed project for Santee Cooper (Santee). Santee is committed to delivering reliable power to all of our customers across the state through the investment in power projects that strengthen the grid and help maintain excellent reliability. Our projects also provide power to commercial and industrial developments aimed at improving local economies and job creation. To allow for future growth in Dorchester County, two (2) new transmission lines approximately 3-4 miles in length will be constructed east of St. George, SC. A map is enclosed showing the preliminary route options being considered. The final selected route may be one of those depicted herein or a combination of the routes.

We are committed to being the ultimate source of electricity for our communities by providing low-cost, reliable, and environmentally responsible services. We want to engage you as neighbors to learn about the new transmission line project and welcome your feedback.

Open House Session

Lovely Hill Convention Center 5905 W Jim Bilton Blvd, St George, SC 29477

Thursday, August 1, 2024

Please stop by between the hours of 4 pm and 7 pm

Project staff will be at information stations to discuss key elements of the project. This will not be a seated presentation, but rather a walk-through open format. You will have an opportunity to ask questions to our subject matter specialists, complete a feedback survey, and view an interactive parcel map. Beginning August 1st, the information featured at this open house will also be posted on our website at www.santeecooper.com/sugarhill.

To contact Santee about this project, please email the project hotline or call our automated voice messaging system. A staff member will respond to you within two business days.

Project Email: santeecooper@sugarhillproject.com

Project Phone: (803)-251-9409

We look forward to providing you excellent customer service and being good neighbors to help our communities thrive.

Thank you,

Santee Cooper Project Team
